Concern (UnFavorable):

You expressed a concern that they requested and were denied rural delivery service.

Response:

You expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be at least 14 feet wide and maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel.

13.

Concern (UnFavorable):

You were concerned about having to travel to another post office for service

Response:

You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. **Concern (Favorable):**
Customers were concerned about a change of ZIP Code
Response:
You expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.
2. **Concern (Favorable):**
Customers were concerned about a change of address
Response:
You expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change
3. **Concern (Favorable):**
Customers inquired about what hours and services would be provided by the CPO
Response:
You inquired about the hours and services that will be provided by the CPO. The CPO will be contracted to provide at least the same hours as the present post office. Depending on the location, the CPO may provide expanded lobby hours. Services will be the same as provided at the post office, except for permit mail acceptance.
4. **Concern (UnFavorable):**
Customers asked why their post office was being discontinued while others were retained
Response:
You asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
5. **Concern (UnFavorable):**
Customers expressed concern over the dependability of rural route service
Response:
You expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
6. **Concern (UnFavorable):**
Customers questioned the economic savings of the proposed discontinuance
Response:
You questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.
Concern (UnFavorable):
7. **Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail**
Response:
You expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
8. **Concern (UnFavorable):**
Customers expressed concern that postal employees at the adminoffice Post Office are rude
Response:
You expressed a concern that postal employees at the administrative Post Office are rude. Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be

conveyed to the postmaster by the manager, post office operations.

Nonpostal Concerns

01/24/2011

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

Innis Post Office Postmaster's position became vacant on 7/2/2008 and earns less than 2 hrs, actual earned for FY 10 was 1.72. It will be more cost effective and enable the Postal Service to better serve our customers by consolidating Innis Post Office with the Batchelor Post Office which is located 3.38 miles away.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at the Innis Community Gym, 6450 LA Hwy 1, Innis, LA 70747 on 02/16/2011 from 6:00 PM to 7:00 PM to answer questions and provide information about our service.

If you have any questions, you may contact Alfred Christophe at (504) 589-1835.

Thank you for your assistance.

Sincerely,

GERNARDA BAILEY

Postmaster salary (EAS-____, Minimum, no COLA)

\$

Fringe benefits 33.5%

\$

Rental costs, excluding utilities

\$

Total annual costs

\$

Less estimated cost of replacement service

-

Total annual savings

\$

A one-time expense of \$ _____ will be/was incurred for installation of CBUs and parcel lockers.

Is postmaster salary based on the minimum salary without COLA?

Does postmaster salary reflect the current office evaluation?

Section V

Other Factors

The Postal Service has identified no other factors for consideration (if appropriate).

List other factors as appropriate.

Other factors when replacement service is a CPO.

Section VI

Summary

The proposal must include a brief summary that explains why the closing or consolidation is necessary and an assessment of how those factors supporting the need for change outweigh any negative factors. In taking competing considerations into account, the need to provide a maximum degree of effective and regular service must be paramount.

Section VII

Notices

Appropriate notice is made that this is a proposal and not a final determination. If a final determination is made to discontinue the office, information on the appeal process will be provided at that time.

PROPOSAL TO CLOSE
THE INNIS, LA POST OFFICE
AND ESTABLISH
SERVICE BY COMMUNITY POST OFFICE

DOCKET NUMBER 1367966 - 70747

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: Innis Post Office Postmaster's position became vacant on 7/2/2008 and earns less than 2 hrs, actual earned for FY 10 was 1.72. It will be more cost effective and enable the Postal Service to better serve our customers by consolidating Innis Post Office with the Batchelor Post Office which is located 3.38 miles away.

The Innis Post Office, an EAS-11 level, provides service from 07:30 to 16:00 Monday - Friday, 08:00 to 11:00 on Saturday and lobby hours of 24 on Monday - Friday and 24 on Saturday to 89 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 25 transaction(s) accounting for 25 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by community post office. Office receipts for the last 3 years were: \$21,026 (55 revenue units) in FY 2008; \$15,804 (41 revenue units) in FY 2009; and \$19,089 (50 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On February 16, 2011, representatives from the Postal Service were available at the Innis Community Gym, 6450 LA Hwy 1, Innis, LA 70747 to answer questions and provide information to customers. 40 customer(s) attended the meeting.

On January 24, 2011, 125 questionnaires were distributed to delivery customers of the Innis Post Office. Questionnaires were also available over the counter for retail customers at the Innis Post Office. 54 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 26 unfavorable, and 25 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Batchelor Post Office, an EAS-13 level office. Window service hours at the Batchelor Post Office are from 07:30 16:00, Monday through Friday, and 08:00 11:00 on Saturday. There are 56 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- | | |
|--------------------|--|
| 1. Concern: | Customers asked why their post office was being discontinued while others were retained |
| Response: | The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means. |
| 2. Concern: | Customers expressed concern for loss of community identity |
| Response: | The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory. |
| 3. Concern: | Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail |
| Response: | The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster. |
| 4. Concern: | Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community |

Response:

The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

5. **Concern:**

Customers expressed concern over the dependability of rural route service

Response:

The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

6. **Concern:**

Customers inquired about building a new facility or a mobile unit

Response:

The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

7. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

8. **Concern:**

Customers were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

9. **Concern:**

Customers were concerned about obtaining services from the carrier

Response:

The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a

receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

10. Concern:

You expressed a concern that they requested and were denied rural delivery service

Response:

The customer expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be at least 14 feet wide and maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel.

11. Concern:

You were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

12. Concern:

Customers expressed concern that postal employees at the adminoffice Post Office are rude

Response:

The customer expressed a concern that postal employees at the administrative Post Office are rude. Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the manager, post office operations.

13. Concern:

Customers inquired about what hours and services would be provided by the CPO

Response:

The customer inquired about the hours and services that will be provided by the CPO. The CPO will be contracted to provide at least the same hours as the present post office. Depending on the location, the CPO may provide expanded lobby hours. Services will be the same as provided at the post office, except for permit mail acceptance.

14. Concern:

Customers questioned the economic savings of the proposed discontinuance

Response:

The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.

15. **Concern:**

Customers were concerned about a change of ZIP Code

Response:

The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Innis is an unincorporated community located in POINTE COUPEE County. The community is administered politically by No. Police protection is provided by the Yes - Pointe Coupee Sheriff (Parish). Fire protection is provided by the Yes - Innis Volunteer Fire Dept.. The community is comprised of Retirees, Self-Employed, Farmers, and Elderly, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Prevailing Word Church Good Faith Church Saint Stevens Episcopal Church, Purpera Supermarket Innis Hardware Innis Water Co. Innis Library Golden Wings . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Innis Post Office will be available at the Batchelor Post Office. Government forms normally provided by the Post Office will also be available at the Batchelor Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

None

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 35,804 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 25,022
Fringe Benefits @ 33.5%	\$ 8,382
Annual Lease Costs	<u>+ \$ 2,400</u>
Total Annual Costs	\$ 35,804
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 35,804</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster was reassigned on July 02, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office mail volume has declined. Effective and regular service will continue to be provided by community post office.

The Innis Post Office provided delivery and retail service to 89 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 25. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$35,804 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Innis Post Office and Batchelor Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

**PROPOSAL TO CLOSE
THE INNIS, LA POST OFFICE
AND ESTABLISH
SERVICE BY COMMUNITY POST OFFICE
(REVISED)**

DOCKET NUMBER 1367966 - 70747

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: Innis Post Office Postmaster's position became vacant on 7/2/2008 and earns less than 2 hrs, actual earned for FY 10 was 1.72. It will be more cost effective and enable the Postal Service to better serve our customers by consolidating Innis Post Office with the Batchelor Post Office which is located 3.38 miles away.

The Innis Post Office, an EAS-11 level, provides service from 07:30 to 16:00 Monday - Friday, 08:00 to 11:00 on Saturday and lobby hours of 24 on Monday - Friday and 24 on Saturday to 89 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 25 transaction(s) accounting for 25 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by community post office. Office receipts for the last 3 years were: \$21,026 (55 revenue units) in FY 2008; \$15,804 (41 revenue units) in FY 2009; and \$19,089 (50 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On February 16, 2011, representatives from the Postal Service were available at the Innis Community Gym, 6450 LA Hwy 1, Innis, LA 70747 to answer questions and provide information to customers. 40 customer(s) attended the meeting.

On January 24, 2011, 125 questionnaires were distributed to delivery customers of the Innis Post Office. Questionnaires were also available over the counter for retail customers at the Innis Post Office. 54 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 26 unfavorable, and 25 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Batchelor Post Office, an EAS-13 level office. Window service hours at the Batchelor Post Office are from 07:30 16:00, Monday through Friday, and 08:00 11:00 on Saturday. There are 56 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customers asked why their post office was being discontinued while others were retained

Response: The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
2. **Concern:** Customers expressed concern for loss of community identity

Response: The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
3. **Concern:** Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail

Response: The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
4. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community

Response:

The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

5. **Concern:**

Customers expressed concern over the dependability of rural route service

Response:

The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

6. **Concern:**

Customers inquired about building a new facility or a mobile unit

Response:

The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

7. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

8. **Concern:**

Customers were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

9. **Concern:**

Customers were concerned about obtaining services from the carrier

Response:

The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a

receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

10. **Concern:**

You expressed a concern that they requested and were denied rural delivery service

Response:

The customer expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be at least 14 feet wide and maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel.

11. **Concern:**

You were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

12. **Concern:**

Customers expressed concern that postal employees at the adminoffice Post Office are rude

Response:

The customer expressed a concern that postal employees at the administrative Post Office are rude. Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the manager, post office operations.

13. **Concern:**

Customers inquired about what hours and services would be provided by the CPO

Response:

The customer inquired about the hours and services that will be provided by the CPO. The CPO will be contracted to provide at least the same hours as the present post office. Depending on the location, the CPO may provide expanded lobby hours. Services will be the same as provided at the post office, except for permit mail acceptance.

14. **Concern:**

Customers questioned the economic savings of the proposed discontinuance

Response:

The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.

15. **Concern:**

Customers were concerned about a change of ZIP Code

Response:

The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Innis is an unincorporated community located in POINTE COUPEE County. The community is administered politically by No. Police protection is provided by the Yes - Pointe Coupee Sheriff (Parish). Fire protection is provided by the Yes - Innis Volunteer Fire Dept.. The community is comprised of Retirees, Self-Employed, Farmers, and Elderly, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Prevailing Word Church Good Faith Church Saint Stevens Episcopal Church, Purpera Supermarket Innis Hardware Innis Water Co. Innis Library Golden Wings . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Innis Post Office will be available at the Batchelor Post Office. Government forms normally provided by the Post Office will also be available at the Batchelor Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

None

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 35,804 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 25,022
Fringe Benefits @ 33.5%	\$ 8,382
Annual Lease Costs	<u>+ \$ 2,400</u>
Total Annual Costs	\$ 35,804
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 35,804</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster was reassigned on July 02, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office mail volume has declined. Effective and regular service will continue to be provided by community post office.

The Innis Post Office provided delivery and retail service to 89 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 25. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$35,804 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Innis Post Office and Batchelor Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

FINAL DETERMINATION TO CLOSE
THE INNIS, LA POST OFFICE
AND ESTABLISH
SERVICE BY COMMUNITY POST OFFICE

DOCKET NUMBER 1367966 - 70747

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: Innis Post Office Postmaster's position became vacant on 7/2/2008 and earns less than 2 hrs, actual earned for FY 10 was 1.72. It will be more cost effective and enable the Postal Service to better serve our customers by consolidating Innis Post Office with the Batchelor Post Office which is located 3.38 miles away.

The Innis Post Office, an EAS-11 level, provides service from 07:30 to 16:00 Monday - Friday , 08:00 to 11:00 on Saturday and lobby hours of 24 on Monday - Friday and 24 on Saturday to 89 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 25 transaction(s) accounting for 25 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by community post office. Office receipts for the last 3 years were: \$21,026 (55 revenue units) in FY 2008; \$15,804 (41 revenue units) in FY 2009; and \$19,089 (50 revenue units) in FY 2010. There were no permit mailer(s) or postage meter customer(s).

On February 16, 2011, representatives from the Postal Service were available at the Innis Community Gym, 6450 LA Hwy 1, Innis, LA 70747 to answer questions and provide information to customers. 40 customer(s) attended the meeting.

On January 24, 2011, 125 questionnaires were distributed to delivery customers of the Innis Post Office. Questionnaires were also available over the counter for retail customers at the Innis Post Office. 54 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 26 unfavorable, and 25 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Batchelor Post Office, an EAS-13 level office. Window service hours at the Batchelor Post Office are from 07:30 16:00, Monday through Friday, and 08:00 11:00 on Saturday. There are 56 post office boxes available.

The proposal to close the Innis Post Office was posted with an invitation for comment at the Innis Post Office and Batchelor Post Office from March 30, 2011 to May 31, 2011. The following additional concerns were received during the proposal posting period:

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers asked why their post office was being discontinued while others were retained

Response: The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
2. **Concern:** Customers expressed concern for loss of community identity

Response: The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
3. **Concern:** Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail

Response: The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an

individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

4. **Concern:**

Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community

Response:

The customer expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

5. **Concern:**

Customers expressed concern over the dependability of rural route service

Response:

The customer expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

6. **Concern:**

Customers inquired about building a new facility or a mobile unit

Response:

The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

7. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

8. **Concern:**

Customers were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

9. **Concern:**

Customers were concerned about obtaining services from the carrier

Response:

The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most

orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

10. **Concern:**

You expressed a concern that they requested and were denied rural delivery service

Response:

The customer expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be at least 14 feet wide and maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel.

11. **Concern:**

You were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

12. **Concern:**

Customers expressed concern that postal employees at the adminoffice Post Office are rude

Response:

The customer expressed a concern that postal employees at the administrative Post Office are rude. Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the manager, post office operations.

13. **Concern:**

Customers inquired about what hours and services would be provided by the CPO

Response:

The customer inquired about the hours and services that will be provided by the CPO. The CPO will be contracted to provide at least the same hours as the present post office. Depending on the location, the CPO may provide expanded lobby hours. Services will be the same as provided at the post office, except for permit mail acceptance.

14. **Concern:** Customers questioned the economic savings of the proposed discontinuance
- Response:** The customer questioned the economic savings of the proposed discontinuance. Carrier service is more cost-effective than maintaining a postal facility and postmaster position. The Postal Service estimates an positive annual savings.
15. **Concern:** Customers were concerned about a change of ZIP Code
- Response:** The customer expressed a concern about a change of ZIP Code. The proposed change of the ZIP Code is necessary due to 911 addressing requirements.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Innis is an unincorporated community located in POINTE COUPEE County. The community is administered politically by No. Police protection is provided by the Yes - Pointe Coupee Sheriff (Parish). Fire protection is provided by the Yes - Innis Volunteer Fire Dept.. The community is comprised of Retirees, Self-Employed, Farmers, and Elderly and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Prevailing Word Church Good Faith Church Saint Stevens Episcopal Church, Purpera Supermarket Innis Hardware Innis Water Co. Innis Library Golden Wings . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Innis Post Office will be available at the Batchelor Post Office. Government forms normally provided by the Post Office will also be available at the Batchelor Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

None

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was reassigned on July 02, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 35,804 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 25,022
Fringe Benefits @ 33.5%	\$ 8,382
Annual Lease Costs	<u>+ \$ 2,400</u>
Total Annual Costs	\$ 35,804
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 35,804</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Innis, LA Post Office and provide delivery and retail services by community post office under the administrative responsibility of the Batchelor Post Office, located three miles away.

The postmaster was reassigned on July 02, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The mail volume has declined. Effective and regular service will continue to be provided by community post office.

The Innis Post Office provided delivery and retail service to 89 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 25. There are no permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$35,804 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this final determination is based are available for public inspection at the Innis Post Office and Batchelor Post Office during normal office hours.
- B. Appeal Rights. This final determination to close the Innis Post Office may be appealed by any person served by that office to the Postal Regulatory Commission at 901 New York Ave NW, Suite 200, Washington DC 20268-0001. Appeals must be received by the Commission within 30 days of the date this final determination is posted. If an appeal is filed, copies of appeal documents prepared by the Postal Regulatory Commission or the parties to the appeal will be made available for public inspection at Innis Post Office and Batchelor Post Office during normal office hours.
